To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 06/09/2016.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Mandatory Condition # 2: The defendant shall not commit another federal, state or local crime.

Supporting Evidence: Paul Belis is considered to be in violation of his terms of supervised release by being charged with possession of methamphetamine with intent to deliver on June 21, 2016.

Mr. Belis was arrested by the Pasco Police Department on June 21, 2016. Officers stopped a car and observed a male, later identified as Mr. Belis, in the back right passenger seat. Mr. Belis provided the officers with a false name, kept putting his hands out of view of the officers, and then left the car and ran off. After a short foot chase, Mr. Belis was arrested.

Officers searched the vehicle and found a plastic bag which contained a crystal like substance and a portion of a plastic grocery bag tied with a knot which contained another medium sized chunk of clear crystal material. The substance was field tested with a NIK test kit and returned as presumptive positive for methamphetamine.

I declare under penalty of perjury that the foregoing is true and correct.
